DATA REQUEST
DOCKET No. 99-00662

1. Using the May 2001, total on the spreadsheet provided as Exhibit 1 of Rebuttal Testimony of Dan Aronson, hereinafter referred to as ("Spreadsheet"), please provide the Tennessee Regulatory Authority with a usage measurement report detailing usage terminating on MCI's network originated by BellSouth in Tennessee. This report should contain the following information in EXCEL spreadsheet format:

- Please provide sorted by day, then by Originating NPA/NXX/XXXX order, all calls originating from BellSouth and terminating on MCI's network for the month of May 2001.
- Subtotal each NPA/NXX/XXXX and at the end of each day and total at the end of the month.
- The report should be provided in the following column format:

Date	Originating NPA/NXX/XXXX	Location County	Terminating NPA/NXX/XXXX	Location County	Minutes of Use	Rate	Revenue
------	-----------------------------	--------------------	-----------------------------	--------------------	-------------------	------	---------

2. Referring to data on the Spreadsheet, what intrastate rate did MCI use to calculate the intrastate revenue?
3. Explain the difference in the intrastate usage reported by MCI (68,635,549) and intraLATA Minutes of Use (MOU) reported by BellSouth (17,555,872) on the spreadsheet. Does MCI's intrastate usage category include anything other than intraLATA traffic? If so, what other category or categories are included? Please provide minutes of use (MOU) for each category by month in EXCEL format consisting of the following columns:

Month	IntraLATA MOU	InterLATA MOU	Interstate MOU
-------	------------------	------------------	-------------------

4. Please provide a usage report in EXCEL format intrastate traffic for Tennessee in the following column format:

Date	Originating NPA/NXX/XXXX	Location County	Terminating NPA/NXX/XXXX	Location County	Minutes of Use	Rate	Revenue
------	-----------------------------	--------------------	-----------------------------	--------------------	-------------------	------	---------

This report should be provided sorted in day order, then by originating number order. Subtotal the minutes by day and total at the end of the month for the month of May, 2001 confirming also that totals match that of the Spreadsheet.

5. Please provide a report in EXCEL format listing all local and intrastate usage for the month of May, 2001 for Tennessee excluding originating BellSouth traffic in the following format below. Provide in ascending order by day, then by NPA/NXX/XXXX, subtotal minutes at end of each day and total at end of month.

Date	Originating NPA/NXX/XXXX	Location County	Terminating NPA/NXX/XXXX	Location County	Minutes of Use	Orig Carrier
------	-----------------------------	--------------------	-----------------------------	--------------------	-------------------	-----------------
